Annoucements@Wilmot

The office helps “Wilmoters” stay updated on what’s happening in the church and the greater Fredericton community by publishing our weekly Annoucements! We accomplish this with two weekly email announcements: an email on Wednesday sharing news, upcoming events, and other details and one on Saturday sharing the details of the upcoming Sunday service. If you would like to have these announcements in your inbox, let the office know so we can put you on our email list!

Music Ministry

Senior Choir

The Wilmot Senior Choir is a four-part ensemble contributing to the weekly worship of Wilmot United Church. The choir looks forward to a new season of contemporary to classical music under the joyful direction of Music Director, Dino Andriani. Rehearsals are held 7:30 to 8:45 p.m. on Thursday nights from September to May. A warm-up takes place in the sanctuary a half hour before the Sunday service begins. The Senior Choir is a user-friendly group that combines solid music making and fun in a nurturing and positive environment. New singers are always most welcome!

Frank T. Pridham Memorial Handbell Choir

Steven Peacock has volunteered again this year to continue to conduct the choir when he retired. It is a three-octave choir which performs at worship services about once a month between September and May. Our rehearsals take place in the Godly Play Room every Thursday night between 6:30 and 7:30 p.m., and the musical challenges are always balanced with lots of camaraderie. New ringers are very welcome!

Music Ministry

Other Ensembles and Soloists

Wilmot often welcomes a variety of smaller vocal and instrumental ensembles (such as the Youth Chime Choir) to special services throughout the year. As well, vocal, and instrumental soloists (and, on occasion, music professionals) from within and beyond the Wilmot congregation are a regular feature of our worship services. Rehearsal preparation, accompaniments, and arrangements for these musicians, with the goal of positive and worshipful musical experiences for our performers and our congregation can be arranged. Contact out Music Director, Dino Andriani at office@wilmotchurch.com

Church Council

As the official governing body of the congregation, the Council is responsible for making major decisions for the congregation between annual meetings. The day-to-day work of the congregation is carried out by Committees and Church Staff, but the Council is there to provide support and guidance as necessary. It also plays an important role in facilitating communication among various parts of the congregation. Wilmot Church Council is comprised of representatives from all of our Committees, our Regional Representatives, congregation representatives, the Council chair and vice-chair, secretary and treasurer, and our minister.

Our Council meets the 4th Wednesday in the months of September, November, January, March and May, 7:00 to 9:00 pm in the Board Room. Between meetings, the Council Executive, consisting of chair, vice-chair, secretary, treasurer, two Council representatives, and the clergy acts on behalf of Council.

This structure for Wilmot's governing body will be under review in 2026-2027.

Any questions, comments, or suggestions regarding the Council can be directed to Marilyn Luscombe, Council Chair, marilyn Luscombe@gmail.com or Rev. Russ Daye russ@wilmotchurch.com

Ministry & Personnel

The Ministry and Personnel Committee is mandated by the United Church of Canada. The M&P committee resembles a typical "Human Resources" department and performs tasks such as setting salaries, posting and hiring for non-clergy positions, writing and revising job descriptions, and coordinating benefits, working conditions, and annual reviews. M&P reports to and makes recommendations to Council for decision-making as needed. Each member of the committee liaises with and represents one staff member and we work together as we carry out our regular business. The committee meets approximately 4-5 times per year and communicates with staff regularly by email and phone. The United Church has valuable resources to assist us with policies and procedures.

Besides supporting our paid staff, M&P has a responsibility to be an 'ear & voice' for Wilmot members and adherents especially in relation to Wilmot staff roles. We welcome any comments, recommendations, and concerns. A major focus for the M&P committee this coming year will be supporting the new executive director and aligning staff roles with the broader transformation initiative.

If you are interested in joining the M&P committee, please contact the chair Peter Thompson at [613-979-2608](tel:613-979-2608) or pejath@gmail.com

Audio Visual Team

Live streaming to our YouTube channel (@WilmotUnitedChurch) our weekly worship services is produced by our Audio Visual Team. We also livestream weddings, funerals, and community events hosted in our sanctuary as requested.

Hearing assist devices using Auracast technology are available for use during our worship services from the Audio Visual Team, more information can be found on page 19.

Additional volunteers are needed and training is available! Contact: office@wilmotchurch.com or Craig Frame craig.frame1@gmail.com

Finance & Property Committee

Our Finance and Property Committee is responsible for the stewardship of our physical and financial resources.

The work of the Committee is carried out by several hardworking Sub-Committees: Finance, Property & Maintenance, Facility Management, Stewardship Education & Recognition, and Cemetery. Examples of the work include preparation of the annual budget, monitoring of expenses and revenue, management of the cemetery, development of safety procedures, conduct of regular maintenance, and management of special renovations.

The treasurer prepares regular reports to keep the congregation informed about our financial situation. The committee meets monthly except in the summer.

Trustees

The trustees are responsible for holding and management of all real property and investments on behalf of the Wilmot United Church congregation. Trustees would be involved in decisions made by the church relating to property purchases, sales or mortgages and investment of any monies received by the church.

Contact: Blair Kennedy blair.kennedy48@gmail.com

Heritage Projects

Heritage Standing Inc. did the original engineering assessment of our Sanctuary building in 2018. At that time they indicated work was needed to correct improper drainage around the church buildings, repair the foundation under the sanctuary building, repair and stabilize the bell tower and repair wall plaster cracks, replace/repair the sanctuary building roof and carry out repairs to the sanctuary stained glass windows.

Heritage Standing Inc. was engaged again this summer to assess the current condition of the Sanctuary building given these outstanding projects and to update associated costs. This assessment was completed this fall and will inform our fund raising campaign so the required work can be completed over the next few years.

Want to get involved or learn more? Contact Craig Frame craig.frame1@gmail.com or [506-459-4732](tel:506-459-4732)

Worship Committee

The Worship Committee is an integral part of Wilmot as it meets monthly with the minister to aid in planning future services as well as providing feedback on past services. The committee also supports the choir and the music program. It is responsible for preparing the elements for Communion services throughout the year as well as finding volunteers to serve Communion.

This committee plans the date and guest speaker for Anniversary Sunday and when guest preachers are required, it works with the Ministry and Personnel committee to find pulpit supply.

Wedding and Baptism requests that are to take place at Wilmot come to this committee for approval.

New volunteers are always welcome!

Sanctuary Committee

This committee is responsible for ensuring that the sanctuary is properly arranged (ie tapestries, pulpit and communion cloths, flower arrangements, candles, and seasonal decorations) according to the liturgical calendar. These are all things that serve to enrich our worship services throughout the year.

Contact: Barbara Frame

Communications Committee

Effective communications are important for keeping the congregation informed and reaching out to our community. Over the past year the committee has done some planning and foundational work to strengthening our online and social media presence. The committee is looking for some new members.

If you have an interest in any aspect of communication, please contact Shirley Cleave
sclleave@nb.sympatico.ca.

Congregational Programming

Are you interested in meeting new people, getting to know some folks better, enjoying a good time with new and old friends, learning new things?

Starting this fall, there will be opportunities for all of these at Wilmot. Watch for details in the weekly announcements.

Faith Formation Committee

The Faith Formation Committee meets monthly (except for the summer) on the second Tuesday of the month. We are actively committed to the development, encouragement and oversight of programmes and opportunities to foster spiritual growth, education, fellowship, and fun for all ages. Adult Bible Conversations

The adult Bible conversation group meets before Sunday worship from 9:30 to 10:45 Atlantic time. People participate physically in the Board Room and virtually via Zoom. To receive the reading materials and the Zoom link, please reach out to the church office office@wilmotchurch.com. The first meeting for the season will be on September 20, 2026.

The group engages with the lectionary readings for the particular Sunday of the Revised Common Lectionary shared by Christian churches throughout the world (link below). This group is a safe and welcoming environment for participants to respectfully exchange our various life experiences and often differing opinion concerning our faith. We seek relevance for today with the stories that go back several thousand years of our historical Christian journey.

Although the title of the group contains the word “adult”, teenagers also may find the discussions interesting and have opinions to share with the group, in person or online.

Spiritual Practice

On Tuesday evenings, Wilmot has two spiritual practice groups happening back to back with time in between for fellowship together.

Christian Contemplative Prayer - 6 pm

Christian contemplative prayer has been defined as the practice of being open to the presence of God. It's a form of silent, wordless communion with God, a way to deepen intimacy with God by quieting the mind, setting aside distractions, and allowing the Holy Spirit to lead the soul into a place of spiritual union and peace. It is a form of prayer that was modelled by Jesus. A group meets regularly on Tuesdays at 6 pm to practice, learn and support each other in our own contemplative prayer practices (existing or new). If this might be of interest to you please contact craig.frame1@gmail.com or [506-459-4732](tel:506-459-4732).

Guided Meditation - 7:30 pm

Russ leads a guided meditation and teaches a range of meditation methods and spiritual practices. All are welcome.

Godly Play

Godly Play is a Christian education program developed initially by Rev. Dr. Jerome W. Berryman, with pedagogical roots based in Montessori. Some key components of Godly Play include the lighting of a Christ candle, the use of biblical story sets by a facilitator to tell stories and illustrate abstract concepts in a concrete way, child-directed sacred work and reflection, child-directed meaning making through play, art, engagement with Godly Play materials, quiet reflection, etc., and the sharing of a feast that resembles the sacrament of Communion.

Godly Play was introduced to Wilmot in 2022. The current programming has been adjusted to further align Wilmot's practices, sacred work materials, and room set up with traditional Godly Play methods and maintains an element of flexibility in order to reflect values as an Affirming congregation. The volunteers who work in Godly Play at Wilmot bring with them a variety of backgrounds and strengths that culminate in a diverse array of educational/guiding techniques, which greatly enrich the programming.

In 2025 we incorporated Young Children & Worship into our Storytelling schedule, which is an internationally recognized, multi-sensory approach to religious education. It was developed as a precursor to Godly Play that teaches children how to experience and participate in adult worship. It is considered a sister to Godly Play with much the same focus and desired outcomes. Pioneered by Sonja M. Stewart and Jerome W. Berryman, the program is based on early childhood developmental principles.

Nursery Care

During our Sunday services nursery care is provided for infants to and including age 4. The programme provides a nurturing safe environment in space shared by the Fredericton Toy Library.

In recent years we have been fortunate to have youth volunteers present with the children as they play, read stories, and enjoy the toys and activities provided. With the recent addition of a Smart TV in the nursery the service is live-streamed.

Any care-givers who wish to accompany their children are most welcome.

Youth Group

The Youth Group is a program for youth in grades 6 to 12, that holds regular meetings either at Wilmot or a location specific to the meeting's activity. Meetings usually take place every second Sunday evening, from 6:30pm - 8:00pm, but the actual schedule may vary and is released by facilitators in advance throughout the year!

Some favourite activities of the youth group over the years have been: playing Hide-and-Seek or Sardines in the Wilmot sanctuary, going bouldering, enjoying nature at O'Dell Park, making Valentine's for congregation members, volunteering, and hosting fundraisers to support local organizations.

The Youth Group is facilitated by adult volunteers, and incorporates elements of intentional community building along with engagement in social justice initiatives and theological concepts. It is a place for young people to come together in Christian fellowship and learn what it means to be stewards of our church and our faith!

Fundraising for the Youth Group

Our fundraising continues all year. Save your refundable bottles and cans and drop them off at the church. Money raised is used for youth projects and travel to youth events. Your continued support of appreciated.

Youth Conversation

Youth Conversation takes place on Sunday mornings when the younger children go to Godly Play. It is an opportunity for high school age youth to gather and share their thoughts in a safe environment. We do not have a specific curriculum as each facilitator creates a lesson centred around the liturgical calendar; events going on in the world today; specific scripture readings; personal development; or special events occurring like communion or Orange Shirt Day. Sometimes a game of Bible Trivia makes its way into the group!

Our amazing group of facilitators draw on their own backgrounds, areas of expertise and interests to provide the youth with an introduction and then facilitate a discussion or activity around the theme. During this time youth are encouraged to grow spiritually, get to know each other, form relations and build community. For more information:

Radical Hospitality Committee

The Radical Hospitality Committee's mission is to sponsor and plan activities for the congregation focusing on welcome and inclusion.

Some of the events that we've offered include special worship services such as: Pie Day, early morning coffee during the winter months, a spring picnic and a welcome barbecue in September, Rainbow Brunches, a Progressive Dinner in December, Pride Marches, etc. These activities are well received and supported by the congregation. A special event that we sponsored this spring, in conjunction with Stacked Pancake and Breakfast House, was an appreciation breakfast for our many Wilmot volunteers. We are working to strengthen our connection to the wider Fredericton community, to include people of other faith traditions and to be more intentional in our welcome.

We thank the congregation for their support and we welcome any ideas they may have for additional projects we might take on.

Learning and Living into Right Relations

As TREATY PEOPLE we have a responsibility to continue our journey of learning and living into Right Relations with Indigenous people. The **Indigenous Relations Committee** will continue to offer a variety of learning opportunities throughout the year.

We began by celebrating Orange Shirt Day and National Truth and Reconciliation Day on Sunday, September 27 during worship. Everyone was invited to wear an Orange Shirt (or something else orange) and to enjoy some Bannock, jam and molasses at Coffee and Conversation.

Information about other initiatives will be shared throughout the year as details are confirmed.

Current committee members are Kathryn Downtown, Jilanna Eagles, John Leroux, Marilyn Luscombe, Russ Daye and Shirley Cleave. We welcome your questions, comments and suggestions.

Outreach Committee

Outreach programs provide several volunteer possibilities for people, no matter age, interests or talents, to share their time for others.

The committee typically meets every two months and supports several outreach initiatives, including **Wednesdays @ Wilmot**.

From September to June, this program runs from 12:00 p.m. to 1:00 p.m. and offers support to individuals who may need someone to listen, as well as information, lunch, food vouchers, bus tickets, and haircuts. UNB nursing and law students are often available to answer questions. Outreach welcomes donations of cookies, baked goods, non-perishable food, and financial support for the Benevolent Fund, which purchases food gift cards. Four volunteer teams of approximately 10 people, many of whom are not Wilmot members, help keep the program running. Donations of food and personal supplies are welcome to support guests of Wednesdays at Wilmot.

Fair Trade products, including coffee, tea, olive oil and chocolate are sold to help promote fair trade practices. Whenever possible, the Outreach Committee and our UCW provides financial support to community and global organizations/projects.

To learn more about the Outreach committee or programs, please contact the church office or committee co-chair Sally McAllister sallywmcallister@gmail.com or Lynn MacKinnon mlmack@nbnet.nb.ca

Donations of Food and Personal Supplies

Donations of food and personal supplies are used by the Wednesdays at Wilmot program. Non-perishable food, mittens, socks, and personal hygiene items may be dropped off at the church during office hours or on Sundays. Seasonal or event-specific needs are shared via the weekly announcements.

Saturday Evening Drop-In

From September until June, 6:00 pm – 8:00 pm, the Saturday Evening Drop-In offers a place to socialize, play cards or pool as well as other activities in an atmosphere of friendship. Food provided by Isaac's Way as well as snacks are enjoyed. Volunteer teams rotate over a 4 - 5-week period, being responsible for set up, serving, socializing with guests and clean up. Many of the volunteers provide soup, baking and other snacks to enhance the light evening meal.

Our New Hearing Assist System

We recently installed a new hearing assist system in the Sanctuary at Wilmot United Church. Auri™ first became available from Listen Technologies in February 2025 using a new technology called Auracast which makes use of Bluetooth LE Version 5.4.

Equipment manufacturers started including Auracast support in their products over the past several years. These products include hearing aids, cell phones, televisions, wireless earbuds, and other devices. Check with your equipment supplier to see if Auracast support is currently available in your device, or if it can be enabled with a software update. Devices equipped with Auracast support should be able to hear our Auracast broadcast (WILMOT UC) in the Sanctuary with a setting on your device App.

Devices with Auracast support will also soon be able to receive other Auracast broadcasts which will be available in buses, buildings such as airports, cinemas, theatres, museums, and other public spaces. Auracast equipped devices such as televisions and computers will also be able to transmit Auracast broadcasts to auracast equipped hearing aids, receivers and wireless earbuds.

The list of products with Auracast support is expanding every month.

Planning for this system started over 9 years ago. It took several years for the development of this new technology and for the new equipment to become available. The Auri™ hardware Wilmot purchased first became available from Listen Technology in February 2025.

*The installation of this new hearing assist system was made possible
with the financial contributions by
Dorean E. Estey (1921 – 2019) and Alastair Lamont.*

There are several ways to listen to our WILMOT UC Auracast broadcast. See options 3 and 4 if you don't have a hearing aid.

1. If you have a **newer hearing aid** equipped with Auracast support you can listen directly by selecting the WILMOT UC Auracast broadcast in the Bluetooth settings in your hearing aid App. Check with your supplier to confirm if your hearing aid supports Auracast or can be upgraded with a software update.

2. If you have an **older telecoil-equipped hearing aid or cochlear implant** you can listen with an Auri™ receiver and a neck loop lanyard available from the sound volunteer at the back of the Sanctuary. The receiver is setup with the WILMOT UC Auracast broadcast and the

volume can be adjusted. The neck loop lanyard is placed around your neck. The device should be returned to the sound volunteer at the end of the Service.

3. You can listen to our WILMOT UC Auracast broadcast with an Auri™ **receiver and a headset or ear speaker** if you don't have a hearing aid. They are available from the sound volunteer at the back of the Sanctuary. The receiver is setup with the WILMOT UC Auracast broadcast and the volume can be adjusted. You can also use your own wired headset or wired earbuds with the receiver. The device should be returned to the sound volunteer at the end of the Service.

4. You can also listen to our WILMOT UC Auracast broadcast with **wireless earbuds** with Auracast support by selecting the WILMOT UC Auracast broadcast in the Bluetooth settings in your earbuds App. Wireless earbuds with Auracast also support normal earbud functions with your phone.
